### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with N. Kenneth Buraston on 05/23/2006.

The application has been amended as follows:

#### **In Claims**

Claim 76, line 1, change numeral "75" to – 74 --.

Claim 116, in lines 1, 2, 3 and 5-6, the phrase "electronic component" change to -- semiconductor die --.

#### ***Allowable Subject Matter***

Claims 3-8,13,14,17,19,21-38,41-48,51,71,73-74,76-82,105-116,119-147 are allowed.

The following is an examiner's statement of reasons for allowance: The Prior Art does not teach or suggest:

**In regard to claim 71 and 74**, a microelectronic spring structure comprising a base secured to a terminal of a semiconductor die and a beam having a tip, wherein a cross-sectional width of the beam perpendicular to a length of beam comprising a contour that increases at least one of an area moment of inertia of the beam, a stiffness of the

beam, and a spring force of the beam relative to a beam having an equivalent mass per unit length but lacking the contour and wherein a thickness of the beam is thinner at the tip than at the base.

**In regard to claim 116,** a semiconductor die comprising a terminal and an electrically conductive contact structure having a base secured to the terminal and a beam; a geometric shape of a cross-sectional width of the beam is perpendicular to a length of the beam and is asymmetrical with respect to an axis about which a mass distribution of the beam at the cross-sectional width is symmetrically distributed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
